WHEREAS, the transportation needs of the State of Tennessee and Tennessee communities require more than a one-time allocation of resources; and

NOW THEREFORE, BE IT RESOLVED by the Sumner County Board of County Commissioners meeting in special session on this the 16th day of May 2016, that this body hereby urges Governor Haslam and the Tennessee General Assembly to take action regarding transportation funding that incorporates the following key components:

1. Identify additional, ongoing State funding for transportation needs that incorporates a mechanism to keep pace with future inflation; and

- 2. Ensure that the Tennessee Department of Transportation continues to have the discretion to select transportation projects working collaboratively with local communities; and
